

Todos los artículos deben enviarse antes de **3 dic.. 2026**.

Instrucciones adicionales para el envío de tu paquete

-
- Los artículos deben estar empaquetados con el empaque original del fabricante, si está disponible. Si no dispone del empaque original, empaque el artículo de forma segura en una caja de cartón con la amortiguación adecuada para evitar que sufra daños durante el transporte. Si en la caja hay etiquetas o marcas preimpresas, deben retirarse completamente o cubrirse con una etiqueta blanca. La etiqueta de la batería de litio debe imprimirse en color.
-
- Si tu batería está dañada, defectuosa o el fabricante reclama la devolución, no la devuelvas a Amazon. Ponte en contacto con [Servicio al cliente](#) para obtener ayuda. ****NO ACATAR ESTAS DISPOSICIONES LEGALES, PUEDE AFECTAR EL ENVÍO ADECUADO, RESULTANDO EN UNA DEVOLUCIÓN FALLIDA****
-
- Pega la etiqueta de correo en el lado del paquete donde está la dirección y asegúrate de cubrir cualquier dirección de entrega y código de barras anteriores. La etiqueta de correo debe quedar en un lado del paquete en su totalidad.
- Lleva este paquete a una tienda de UPS. Para encontrar la tienda UPS más cerca de ti, visita UPS [Ubicador de punto de entrega](#) o ve a www.ups.com.
